

## KING CHARLES SPANIEL

1. Light Background
2. Blackest fig'd Walnut
3. Medium fig'd Walnut
4. Lighter fig'd Walnut
5. Darkest fig'd Mahogany
6. Lighter fig'd Mahogany
7. Sycamore
8. Pear

*As you will note from the photo I used highly figured veneers and cut out many of the smaller pieces from the design. My thanks to the anonymous member who added the design to the design box and to 'Daddy' Phillips who used his mother's dog as a model and coloured in the original design. Take care with the eyes - they are the focal points of the picture. A smaller version of this design will appear in a future issue.*

*Ed.*
